Cosmic Education Group Celebrates the Grand Opening of Four New Guidepost Montessori Campuses in Hong Kong

Guidepost Montessori Mid-Levels

Hong Kong, China, 9 September 2024 - Cosmic Education Group (CEG), a leading provider of exceptional Montessori education, is thrilled to announce the grand opening of four new Guidepost Montessori campuses in Hong Kong. The new campuses are located in Mid-Levels, Repulse Bay, and Sai Kung, bringing the total number of campuses under CEG across Hong Kong, Singapore, Bali, and Mainland China to 27, including 13 in Hong Kong. This strategic expansion strengthens CEG's position as a premier provider of Montessori education in the Asia-Pacific region.

both English and Mandarin, with every classroom staffed by a full-time English teacher and a full-time Mandarin teacher.

New classroom and in-door playground at Guidepost Montessori Mid-Levels

Guidepost Montessori Mid-Levels is conveniently located on Caine Road and offers three floors of spacious learning environments and beautiful shared play spaces for children. It also sits directly across the street from Guidepost Family Club Mid-Levels.

Guidepost Family Club Mid-Levels

Guidepost Family Club Mid-Levels, CEG's second family club in Hong Kong, is also located on Caine Road, across from the Guidepost Montessori Mid-Levels campus. Guidepost Family Club hosts a range of engaging programs for parents, infants, and toddlers, and has a massive outdoor play area with more than 5,000 square feet of space and a neighborhood cafe with exclusive benefits for Guidepost families including private events and special offers on food & drinks.

Guidepost Montessori Repulse Bay

Guidepost Montessori Repulse Bay, boasting stunning ocean views, is situated across the street from Repulse Bay Beach and The Pulse shopping center. This campus serves children from 6 months to 6 years old with a range of accompanied and unaccompanied programs and features both private indoor and outdoor play areas. The Repulse Bay campus also has private parking offered free to Guidepost families across the network, just steps away from the beach.

Guidepost Montessori Sai Kung

Guidepost Montessori Sai Kung, conveniently located in the Marina Cove development, serves families from across Sai Kung and the surrounding areas. In addition to spacious classrooms filled with natural light, this campus offers private indoor and outdoor play spaces for children.

In a vibrant Montessori classroom, our guide engages young children with hands-on learning activities that encourage interaction and foster curiosity.

"We are thrilled to celebrate the grand opening of these four new Guidepost Montessori campuses in Hong Kong, providing more families with access to exceptional Montessori education," said Steve Xu, CEO and founder of Cosmic Education Group. "This strategic expansion further extends our reach in the region and our commitment to fostering supportive communities and empowering children to reach their full potential."

Guidepost Montessori learning environments feature thoughtfully arranged spaces with interactive materials that cater to the developmental needs of different ages, inviting children to explore and nurturing their growing independence.

About Cosmic Education Group

Cosmic Education Group (CEG) is one of the largest operators of Montessori schools in Asia, dedicated to transforming education to better serve families everywhere – children and parents. CEG offers programs for children ages 0-12 through an extensive network of 27 campuses spanning Hong Kong, Singapore, Bali, and key cities in Mainland China.

CEG also holds the distinction of being the largest operator of international early childhood education programs in Hong Kong. With 13 strategically positioned locations, CEG ensures families enjoy a seamless educational journey with Guidepost Montessori, starting from infancy and continuing through pre-nursery, kindergarten, and primary school.

As part of its mission to better serve families everywhere, CEG has established an exclusive partnership with AYANA Estate Bali, introducing the world's first destination school, Guidepost Montessori AYANA Bali. Nestled in the breathtaking surroundings of the 5-star AYANA Estate, this exceptional campus combines Montessori philosophy with the natural beauty and cultural richness of Bali, creating a unique and immersive educational environment.

About Guidepost Montessori

Guidepost Montessori is a distinguished global network of over 130 schools spanning the U.S., Europe and Asia. Committed to delivering high-quality education, Guidepost Montessori serves children from infancy through adolescence. With a focus on empowering each child to thrive and shape their own future, Guidepost Montessori

aims to foster greatness, purpose and fulfillment in life for every child. This is achieved through a structured prepared environment, scientifically-designed learning materials, and personalized learning, which foster curiosity, independence, and academic excellence. Guidepost Montessori also emphasizes the importance of strong partnerships with parents, providing regular updates, milestone meetings, and opportunities for parents to observe and even participate in their child's Montessori experience. The collaborative and engaging approach ensures that children receive a well-rounded education that nurtures their unique talents and abilities.
